3. ADVENTURE PARKS WITH WATER

4. CANYONING

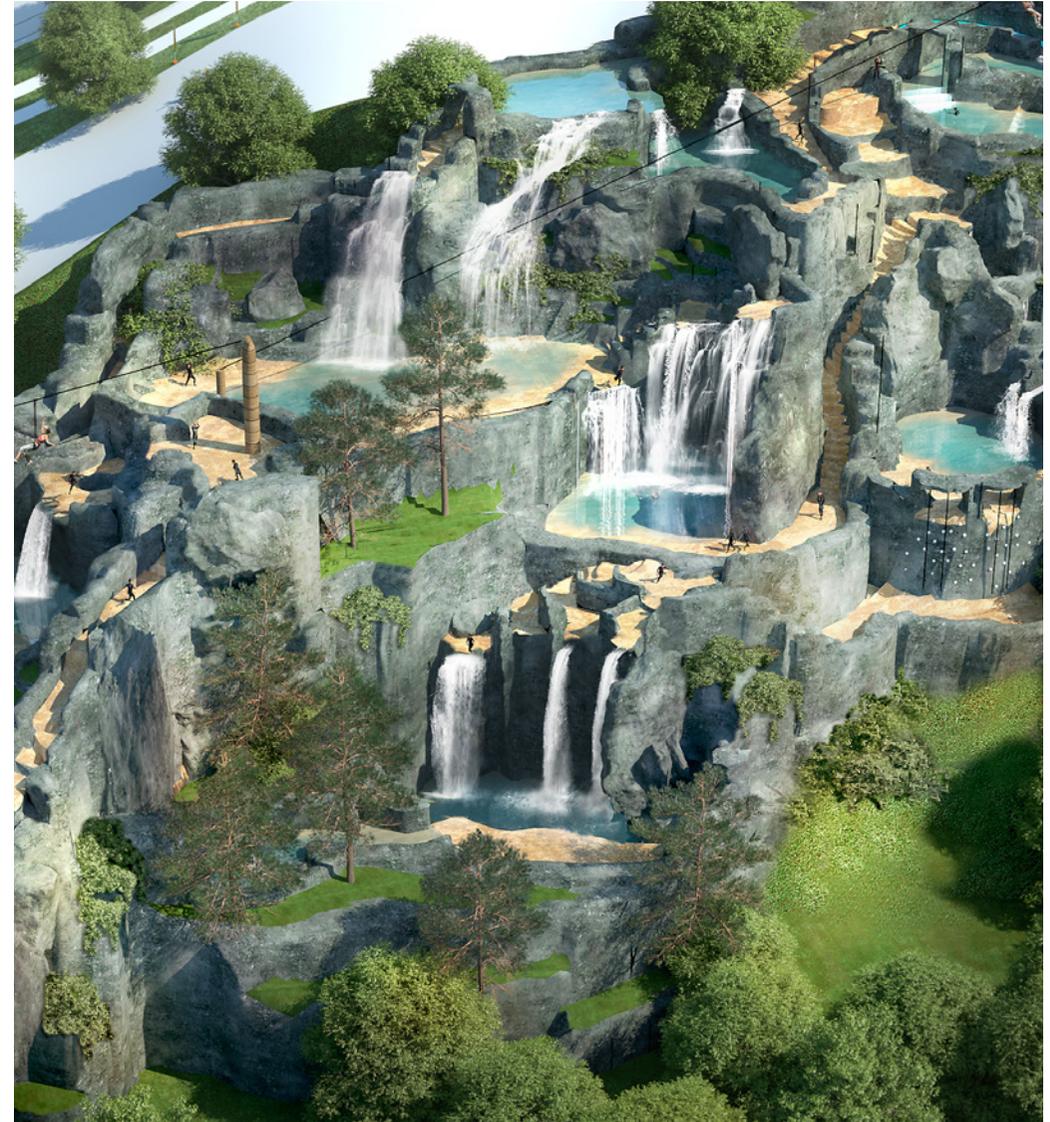

Artificial canyoning circuit of annual operation, which recreates the action and adventure of this mountain practice in a realistic and natural environment with the following main activities:

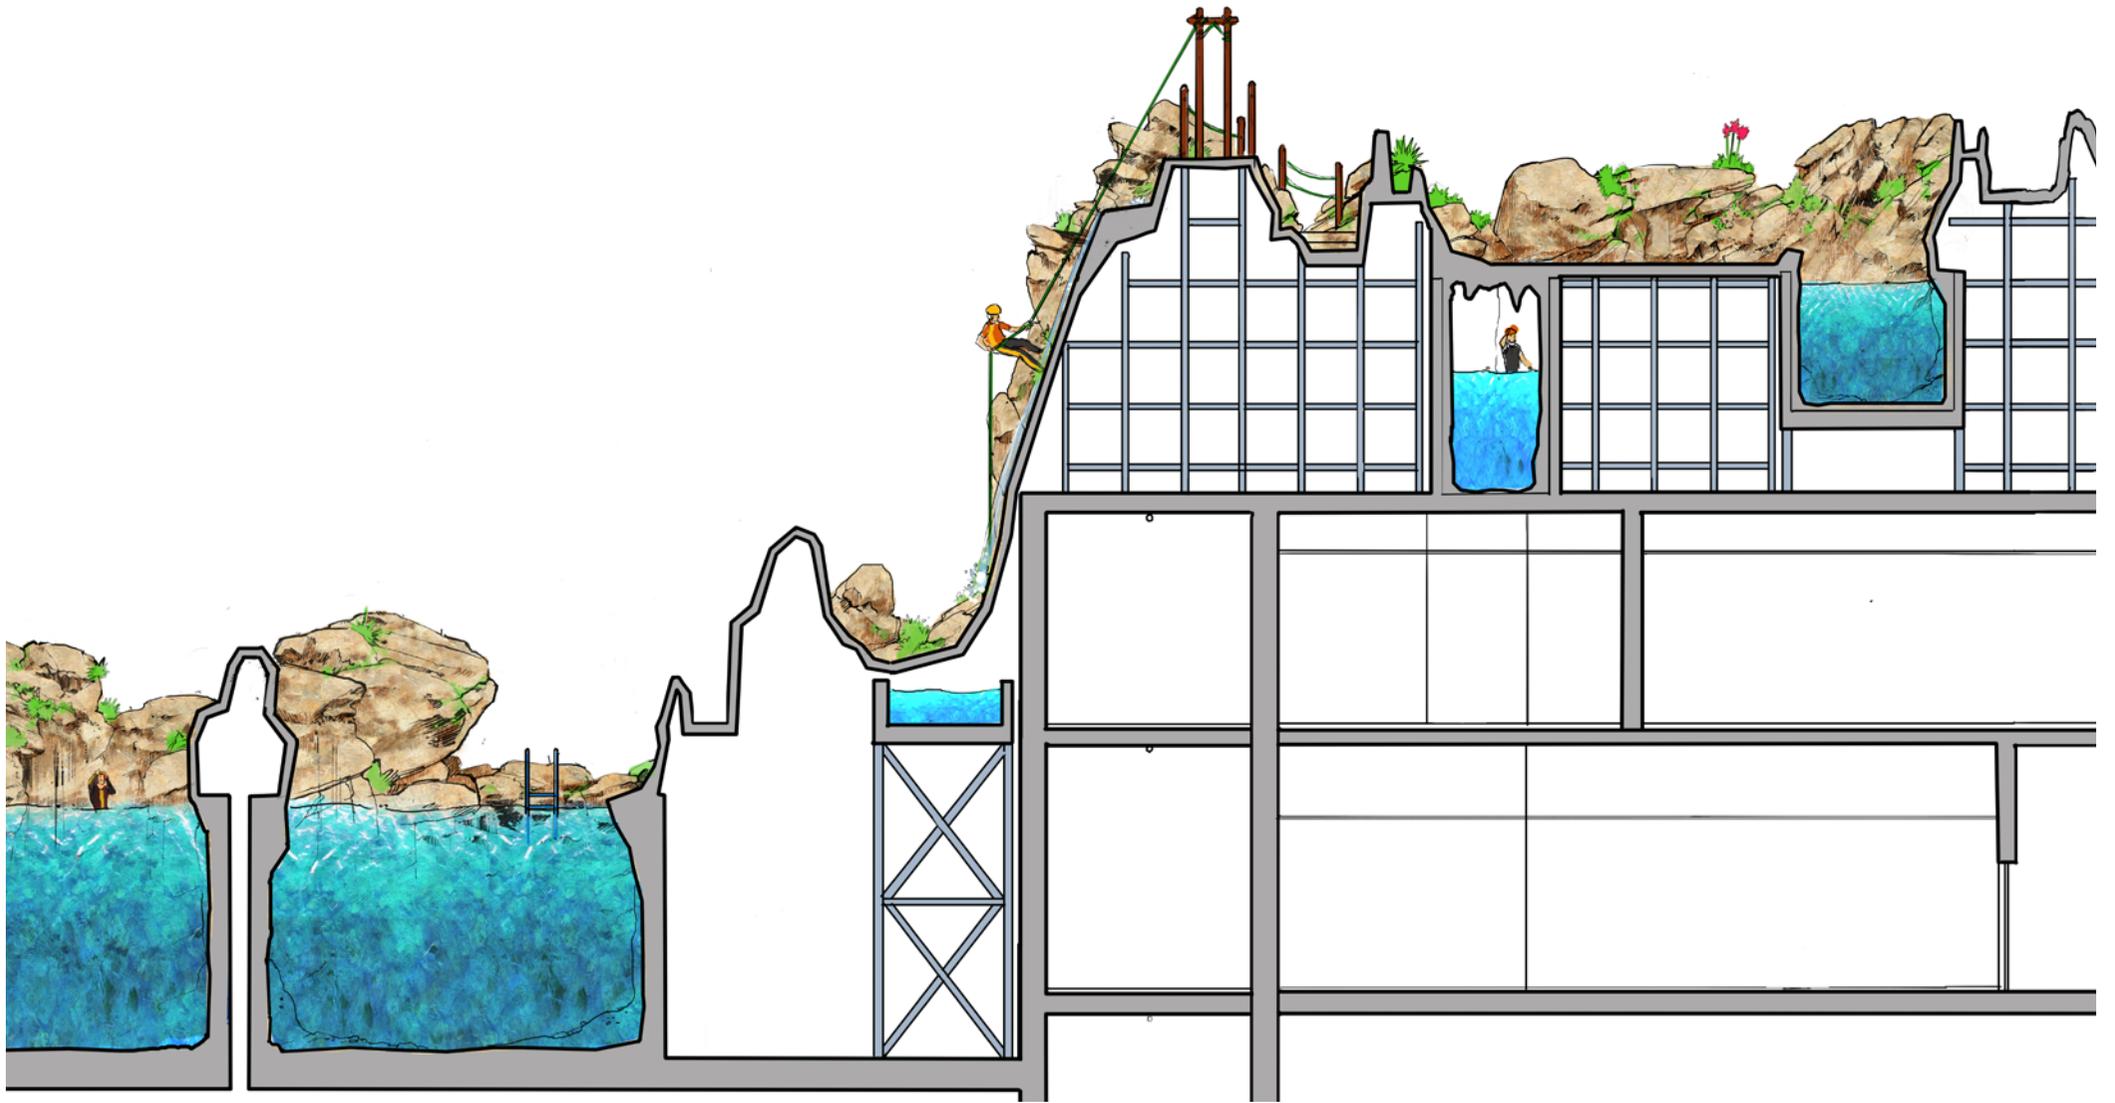

- Winding route with varying degrees of difficulty.
- Jumps into an underground river from heights of 3m to 10m (it has 11 elevated pools at different heights).
- Slides down rocky slides.
- Rappel descents under water cascades.
- Climbing areas with ropes and ladders.
- Jumping into a subway river in a grotto from a height of 6m in total darkness.
- Zipline with water landing.
- Swimming pool and spa area to relax after the course.

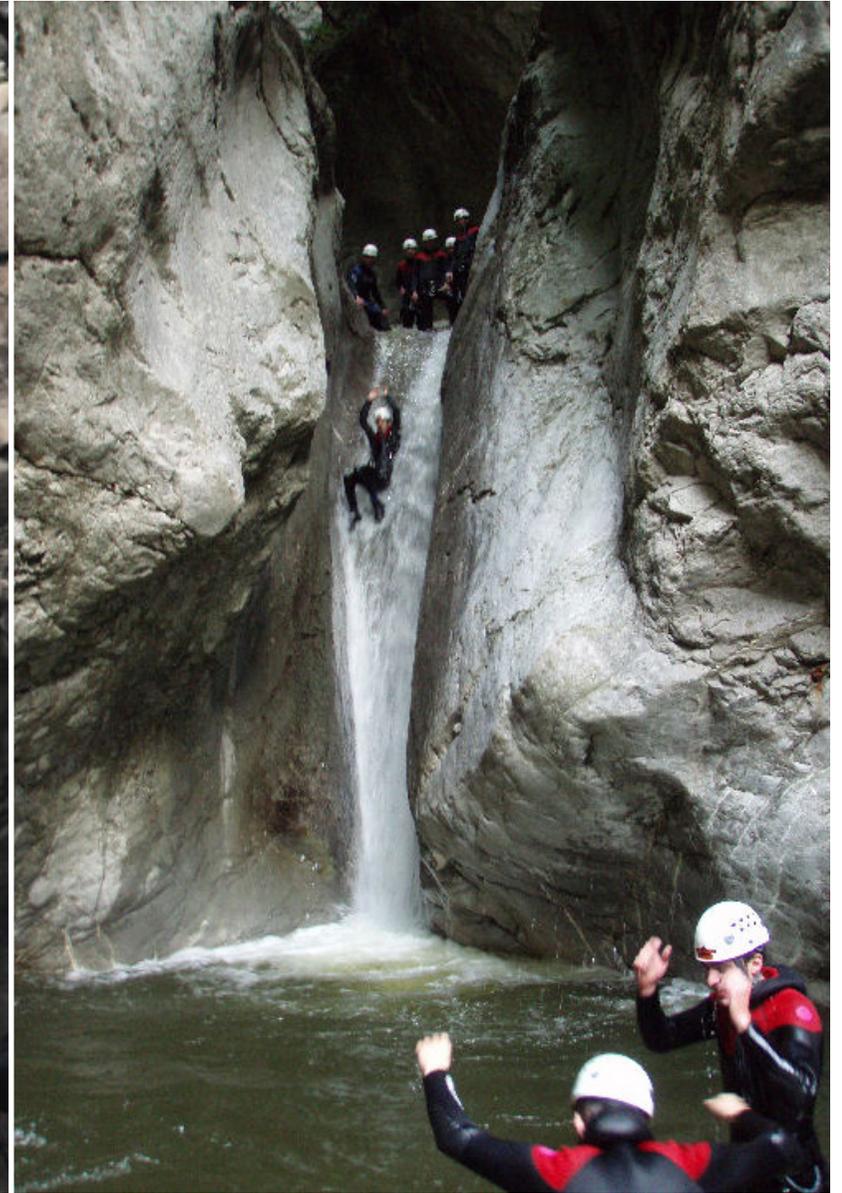

This product is offered on a turnkey basis, including:

- Construction of the circuit with gunite artificial rocks.
 - Supply and installation of swimming pools.
 - Galvanized metal support structures.
 - Complete filtration and pumping system.
 - Supply and installation of equipment for climbing and descent areas.
 - Supply of individual equipment (neoprene suits, safety harnesses, helmets and boots).
 - Construction of swimming pool and spas in the relaxation area.
 - Construction of a Cafeteria-Restaurant.
 - Construction of changing rooms and toilets.
 - Construction of a children's play area for children under 8 years of age.
 - Lighting for night use.
 - Security cameras along the entire route.
 - Construction of parking area.
- Adaptation to any terrain.
